Reflections

The children enjoyed the wide range of options they had to choose from for their elective sessions.
It is always a popular activity and we will provide another option in March.
We thank all the parents who contributed to the many choices. We truly have talented parents with equally talented children.

It was also a pleasure to have the children involved in the music program for the Remembrance Day Service. It is always special to have the children take part to not only remember but to give thanks. The poppies were supplied by the local Legion and the donations were forwarded to the poppy fund. All the children had the opportunity to share "The Peace" to demonstrate their desire to seek peace for the future.

Music Field Trip

Nov 16th Wednesday:
Vancouver Symphony Concert
(Intermediate & Senior Class)

Students will arrive at school as usual tomorrow in the morning. At around 10:40am the students will leave for their Field Trip via Public Transit. It is planned for the students to be back at 2:30pm to continue with their lessons. The students will eat their lunch during the trip, so please provide a bag that will be handy for them to carry along.

Parent Volunteer Opportunity

The school has a great opportunity for parents who would like to fill in some volunteer hours by doing some work that could be done at home or at school. There are still plenty of items for the library that need cataloguing.

The parent has the ability to access the catalogue **online** and can therefore work with the items nearby from any location.

Hot Lunch

This Friday the seniors will prepare Perogies and other small snacks for the school. The profit will go towards the Senior Camping Trip.

Forms are due tomorrow, Wednesday, November 16th.
