Professional Development - Parents may join on Thursday -

This Thursday is a scheduled Professional Development Day. We are inviting parents who can make the time to join with us at the start of the day. The purpose is to have as many available staff and family join in prayer for the specific needs of the school. Two items will be on the important list:

1. Prayer for each class and its children
2. Prayer for the location of our school starting as soon as possible but known before the end of the school year.

The schedule for Thursday is
8:45 a.m. Devotion
9:00 a.m. Prayer in each classroom lead by the teacher;
Topics:
Children and School location.

9:30 a.m. Staff will be in a Staff Meeting

Please join us if you can. We are fully aware that many of you will be needing to look after your children.

Cell Phones during school

Some parents provide Cell Phones to their children.

Our school policy is to have the cell phones shut off for the time children are in school. This includes Recess and Lunchtime.

The child can arrange any variance to this by checking through the office.

Phones not shut off will be supervised in the office until the end of the school day.

Thank you for your support

Lost and Found

We are currently missing a few grey Westside T-shirts. We kindly ask parents to look for some extra uniform items that might have found its way into their homes.

Please also stop by our Lost 'n' Found box to see if any of your child(ren)'s belongings are there.
