2012 - 16

## In this Issue

- Electives Week
- Circus Day/Shared Lunch
- February Events/Calendar

## Electives Week

Electives Week is coming up soon (March 6-9) and we would like

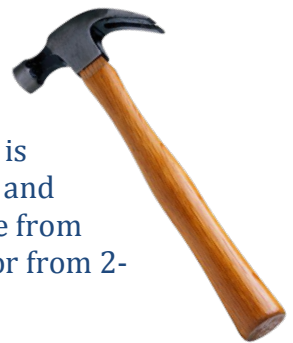

as many gifts represented as possible.

Parents who can come in on either of these days will host a workshop of any type of gift e.g. drum making, computer workshops, yarn art, painting, wrestling, soccer skills, cooking, board games, origami etc.

Each session is an hour long and time slots are from 1-2pm and/or from 2-3pm.

Please start thinking about your possible contribution and let the office know about your availabilities and workshop ideas as soon as possible.

## Circus Day and Shared Lunch

This Thursday our monthly theme day will be all about the Circus.

There is also Shared Lunch this Thursday. So please bring in dishes of food either in the morning or right before Lunch (12pm). It would be helpful if a couple of parents could stay during Lunch to help serve the children and to help clean up after everyone has finished eating.
